University of Colorado at Boulder Class of 2018  
Emphasis in Design Studies, Minor in Technology Arts and Media

## Work Experience

Designer | Tres Birds  
August 12, 2019 - Current  
Designer roll to assist in concept design, schematic design, construction documentation and construction phases of architectural projects.

Intern | Tres Birds  
May 13, 2019 - August 12, 2019  
Improved BIM management efficiency by defining and implementing an office standard for Revit 2020. Built custom families and templates to streamline the schematic design process. Content included, parametric family models, project templates, graphic standards, material libraries, and file/server organization.

Teacher Assistant | Georgia Lindsay, PhD  
Fall 2016, Fall 2017 – Spring 2018  
Responsibilities included grading essays and projects; assisting students with research; leading class activities to facilitate student's understanding of human behavior in the built environment.
